Abstract

"alwusul 'iilaa alhaqi" is the most important goal of the human journey in the ascending arc, which is considered in the transcendental wisdom. To explain this important issue, MullaSadra has used various revelation, mystical and philosophical evidences; But what makes him stand out from other thinkers is the explanation of the philosophical system of "alwusul 'iilaa alhaqi" based on the principles of Transcendent wisdom. Important principles such as "unity of existence", "unity of the wise and sensible", "unity of the speaking soul with the active intellect", "essential movement of the soul" and "the existence of ain-ul-rebati of the effect in relation to the cause" which MullaSadra proved in his transcendental wisdom. Creating a fundamental transformation in the meaning and explanation of the attainment of "acquiring the right" from the perspective of MullaSadra. The findings of the research show that, according to Mullah Sadra, the seeker of the Tariqat, in the position of attaining the supreme truth, has observed the true unity and according to the extent of his existence, he finds a knowledge of the presence of the truth, and with the knowledge of his soul, he has witnessed his connection and pure poverty. In this way, he reaches the Almighty. This article, which was written with analytical-descriptive method, shows that MullaSadra's philosophical presentation shows a complete explanation of this.

Key words: alwusul 'iilaa alhaqi; mulaa sadra; alhikmat almutaealiati; alsuluka; vahdat vojüd; etehad aghil va maghol .
